

ARMY CHAPLAINS RETURNS – BIRTHS 1796-1880

INDEX

GIBRALTAR

Transcribed by Donald BRETT

2008

Photographed in the Siege Tunnels

The Army Chaplains' Returns for Births, Marriages and Deaths, almost exclusively Overseas, are held with other GRO Birth, Marriage and Death registers at the GRO in Southport, England. The Regimental Returns which cover the UK as well as Overseas are also held at the GRO. There may be some duplication between these two Returns and their respective Indexes and the UK entries will generally be found in the appropriate Parish Registers and, post-1837 (England & Wales), in the main GRO Indexes.

Details of the events indexed may be obtained on application to the GRO in the following ways
(prices are as at August 2008)

1. Making an application on-line, giving full details (Date, Place, Names) and Access, Visa, Mastercard or Switch details.
<http://www.gro.gov.uk/gro/content/>
2. Telephone the office direct on 0845 603 7788 with all details as mentioned above, with debit / credit card details.
3. Via post to this Office: Overseas Section, GRO, Trafalgar Road, Birkdale, Southport, PR8 2HH. enclosing cheque (through English clearing bank) or international money order made out to 'IPS'.

For all of the above the standard fee for a full certificate (leaving in one week) is £11.50. (£10.00 on-line)

The priority fee for a full certificate (leaving in 24hrs) is £27.50 (£26.00 on-line)

The fee for a short certificate - does not show parents' details - (leaving in one week) is £10.00.

Although I have taken great care to transcribe the Index as accurately as possible there are inevitably some entries in the Index images that have been difficult to read; this applies mainly to the page numbers following the year/year range where, because of the poor quality of the image, the figures four (4) and one (1) have often been hard to distinguish. Greater uncertainty is shown by asterisks (**) replacing the letters or numbers. Before applying for a certificate you should refer again to the Index image to decide for yourself that the transcription is accurate. The Index images are currently available online at www.familyrelatives.com and www.findmypast.com and also in microform in some major public libraries. The bold page numbers breaking the present text are the pages in the actual Index.
